INFORMED CONSENT TO CHIROPRACTIC TREATMENT

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures including various modes of physical therapy, modalities, and, if necessary, diagnostic X-rays on me (or on the patient, for whom I am legally responsible, named here:___________________________) by the chiropractic physician and /or anyone working in this office authorized by the chiropractic physician.

I further understand that such chiropractic services may be performed by the Physician of Chiropractic and/ or other licensed Physicians of Chiropractic who may treat me now or in the future at this office. I have had an opportunity to discuss with the chiropractic physician and/or with other office or clinic personnel the nature and purpose of the chiropractic adjustments and other procedures. I understand that results are not guaranteed.

I understand and am informed that, as in the practice of medicine and all healthcare, the practice of chiropractic carries some risks to treatment; including, but not limited to: fractures, disc injuries, dislocations, and sprains. I do not expect the physician to be able to anticipate and explain all risks and complications. Further, I wish to rely on the physician to exercise judgment during the course of the procedure which the physician feels are in best interests at the time, based upon the facts then known.

I have read, or have head read to me, the above consent. I have also had an opportunity to ask questions about its contents, and by signing below, I agree to the treatment recommended by my physician. I intend this consent form to cover the entire course of treatment for my present condition(s) and for any condition(s) for which I seek treatment at this facility.

To be completed by the patient (or legal representative):

PATIENT HEALTH INFORMATION CONSENT FORM

Patient Name___________________________________ Date of Birth ___________________

We want you to know how your Patient Health Information (**PHI**) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations we must require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing this consent.

1. The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (**PHI**) for the purpose of treatment, payment, healthcare operations, and coordination of care. As an example, the patient agrees to allow this chiropractic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that this office will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.
2. The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office is not obligated to agree to those restrictions.
3. A patient's written consent need only be obtained one time for all subsequent care given the patient in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not affect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.
5. For your security and right to privacy, all staff have been trained in the area of patient record privacy and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.
6. Patients have the right to file a formal complaint with our privacy official about any possible violations of these policies and procedures.
7. If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations, the chiropractic physician has the right to refuse to give care.
8. I give consent to allow this clinic to use my address, phone number, and/or e-mail to contact me with birthday cards or other health related information.
9. I understand that physical medicine modalities are provided in an open setting. I am aware that other persons in the office may overhear some of my protected health information during the course of care. Should I need to speak with the doctor or another staff member in private, I may request a room for those conversations.

I have read and understand how my Patient Health Information will be used and I agree to these policies and procedures.
